DISCLOSURE STATEMENT

Consistent with ACCME and ANCC guidelines, it is the policy of Symposia Medicus to ensure balance, independence, objectivity, and scientific rigor in all educational activities. Prior to the planning of this educational activity, all individuals in a position to influence and/or control the content of continuing education activities have been asked to disclose all relevant financial relationships with ineligible companies within the past 24 months. Symposia Medicus will also ensure that any and all relevant financial relationships with ineligible companies will be mitigated before the conference commences. Beyond disclosure and mitigation of relevant financial relationships, faculty are required to disclose when they plan to discuss pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical. Symposia Medicus is committed to providing learners with commercially unbiased continuing education activities. This information is intended to assist learners in forming their own judgments about the content presented. Disclosure information will be included in the educational session materials for this activity and speakers will provide a disclosure slide for each presentation, which they will also disclose verbally on site.
