DISCLOSURE STATEMENT

In accordance with ACCME and ANCC guidelines, Symposia Medicus maintains a policy to ensure balance, independence, objectivity, and scientific rigor in all educational activities. Prior to the planning of this educational activity, all individuals in control of content disclosed all financial relationships with ineligible companies within the past 24 months. Symposia Medicus will mitigate any and all relevant financial relationships before the conference begins. Beyond disclosure and mitigation of relevant financial relationships, faculty are required to disclose when they plan to discuss pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical. Symposia Medicus is committed to providing learners with commercially unbiased continuing education activities. This information is intended to assist learners in forming their own judgments about the content presented. Disclosure information will be included in the educational session materials for this activity and speakers will provide a disclosure slide for each presentation, which they will also disclose verbally on site.
